RE: Amended July Quarterly Report (4/1/02-6/30/02), filed 9/3/02

Dear Ms. Sugarman:

This letter is in response to your letter of August 20, 2002, regarding the Bass Victory Committee's Amended July Quarterly Report dated 7/16/02.

Your letter notes a discrepancy between the total listed on Line 11(c), Column A of the Detailed Summary Page and the total of itemized receipts on the supporting Schedule A. This discrepancy appears to have been caused by a software configuration problem that resulted in the omission of contributions from other candidate committees from the supporting Schedule A. This error initially escaped the notice of the Committee because the contributions in question itemized correctly on the paper report generated for our records. Additionally, the report passed a software validation test prior to filing.

The Committee has worked with the software vendor to resolve this problem. The discrepancy has been corrected and an amended report filed with the Commission.

The amendment also corrects an erroneous address and fills in requested employer and occupation information.

Thank you for your attention to this matter.

Sincerely,

Alexander Bass
Treasurer
